

CANCER CARE CONSULTANTS MEDICAL ASSOCIATES A RADIATION ONCOLOGY PARTNERSHIP

The Most Advanced Technology in the Most Caring Hands

CANCER CARE CONSULTANTS MEDICAL Associates (CCCMA) are specialists in radiation oncology using the most advanced technologies in the fight against cancer. One of the oldest and most prestigious groups in the greater Los Angeles basin, they are dedicated to seeking the safest treatments and best outcomes for patients. CCCMA physicians are also highly regarded for their caring approach, which enhances healing and reassures families as they and their loved ones face difficult times.

CCCMA physicians are experts in the most advanced technologies in their field, including intensity-modulated radiation therapy (IMRT), image-guided radiation therapy (IGRT), stereotactic radiosurgery (SRS), stereotactic body radiotherapy (SBRT),

high-dose-rate (HDR) brachytherapy, and permanent seed prostate brachytherapy. More than 1,200 patients annually seek their expertise at five locations in Santa Monica, Northridge, West Covina, downtown Los Angeles and El Segundo.

In recognition of their superior clinical skills, the physicians of CCCMA have also been repeatedly selected in Best Doctors in America and The Essential Guide to Los Angeles' Best Doctors.
