Leaders in Diagnostic and Interventional Radiology

WE AT NEW YORK RADIOLOGY PARTNERS ARE dedicated to the philosophy that quality imaging and total patient satisfaction are the important cornerstones of a full service radiology group. For nearly 40 years, the radiologists at New York Radiology Partners have been working with referring physicians to provide the highest quality care for patients. We have more than 85 board-certified and subspecialty-trained radiologists working around the clock to provide rapid, accurate results. Our physicians are affiliated with the esteemed Beth Israel Medical Center and St. Luke's-Roosevelt Hospital Center, and are part of the Continuum Health Partners. These relationships allow us to offer the highest level of professional services and subspecialty expertise that is unmatched in the New York metropolitan area. With eight locations across Manhattan, we are sure we can provide you with exceptional convenience that matches our dependable, high-quality results.

New York Radiology Partners is proud to announce that three of our esteemed physicians, Dr. Kevin Math, Dr. Daniel Lefton and Dr. Francisco DeLara, Jr., have been named to 2010 *New York Super Doctors*.
