DR. DEBORAH S.
SARNOFF

DR. ROBERT H.
GOTKIN

Dr. Sarnoff is clinical professor of dermatology at NYU Langone Medical Center and senior vice president of The Skin Cancer Foundation. Voted one of the "Best Doctors" in New York by *New York* magazine, Dr. Sarnoff is one of the country's foremost experts in the use of fillers and state-of-the-art laser technology for facial rejuvenation. Dr. Sarnoff has appeared on television shows that include *Today*, *Good Morning America*, *20/20*, *Dateline NBC*, *Nightline*, *Extra*, *The View*, and *The Doctors*.

Dr. Gotkin specializes in liposculpture, body contouring, and aesthetic facial surgery. Named a "Top Doctor in the NY Metropolitan Area" for 11 consecutive years and listed in the *Guide to America's Top Plastic Surgeons*, Dr. Gotkin pioneered the use of Smartlipo™ (laser liposuction), Body-Jet® (water-jet liposuction) and BodyTite™ (radio-frequency liposuction). Dr. Gotkin's procedures are performed in his own fully accredited ambulatory surgical facility.

The Marriage of Cosmetic Dermatology and Plastic Surgery

WITH OVER A 25-YEAR HISTORY, COSMETIQUE Dermatology, Laser & Plastic Surgery, is directed by the internationally renowned husband-and-wife team of board-certified plastic surgeon Dr. Robert H. Gotkin and board-certified dermatologist Dr. Deborah S. Sarnoff.

Dr. Sarnoff and Dr. Gotkin have made a career of being partners in medicine and life.

Their special bond as husband and wife strengthens the harmony and efficiency of their practice. The blended expertise of Dr. Sarnoff and Dr. Gotkin—along with the personal touch they provide—ensures that you receive the best of both worlds of dermatology and plastic surgery, all under one elegant roof.
